**MAKING IT EASIER TO GET
ALL OF THE PRODUCTS YOU NEED,
WHEN YOU NEED THEM**

Why You Need Neutral Posture

The Workload is too Much

Managing FF&E and procurement projects can be immensely time-consuming. Neutral Posture can oversee the entire process for you, freeing you and your staff up for more important endeavors.

There's Not Enough Time

Is your project at risk of an overrun? Neutral Posture has multiple ways to streamline the procurement process, ensuring your project stays on target.

Contracting Challenges

Contracting has its own unique set of pitfalls and challenges, and competition doesn't always guarantee that you will end up with the products you need. However, Neutral Posture has numerous contracting experts that can guide you through the whole process.

Benefits of Working with Neutral Posture

8(a) Certified

Being an 8(a) certified business, Neutral Posture has numerous tools at our disposal to streamline your procurement process.

Flexibility

Do you have specific requirements? Neutral Posture has what you need. Whether it's one of Neutral Posture's vast array of products or from one of our teaming partners, we have the flexibility to get you what you need.

Speed & Efficiency

Bypass the complex evaluations, disruptions, and delays from the standard procurement process by utilizing the direct award method to accelerate your procurement timeline significantly and stay on time.

Reduced Workload

Reduce your workload by collaborating with Neutral Posture from the very beginning. We will help assess your needs and ensure you get the products that best fit those needs.

Sole Source Bids

As a certified Economically Disadvantaged Women Owned Small Business (EDWOSB), you can award any order to Neutral Posture as a sole source.

Reduced Risk

With a direct award, not only do you get protection from protests, providing legal expediency, but you also ensure that you get the products that you actually need. What you order is what you get.

Extensive Range of Service

Through Neutral Posture's vast array of products and our teaming agreements, you are sure to find everything you need. We are your one-stop shop for all your FF&E and procurement needs.

Budget

Sole-source your FF&E procurement projects up to \$20 million and eliminate all the additional costs due to disruptions and delays from the standard procurement process, ensuring the entire process stays under budget.

Count Your Spend 5-ways

As an EDWOSB Manufacturer, everything you spend with us counts towards your Women Owned Small Business spending goals. In fact, with all of Neutral Posture's certifications, you can count everything you spend with us 5-ways. So if you haven't met your spending goals, we can help.

Government Experts

Our dedicated government sales team specializes in understanding the complex procurement regulations of government agencies. They are committed to making it easier for you to get the most comfortable seating in the industry.

TAA & BAA Compliant

Headquartered in Bryan, Texas, Neutral Posture is a proud American company. 95% of Neutral Posture's products are both TAA and BAA compliant.

Federal Government

Neutral Posture has emerged as a top diversity supplier of seating and accessories for the U. S. Government. We hold a GSA Contract with multiple SINs, a Navy BPA, and contracts with leading defense contractors. We do business with the Army Corps of Engineers, Department of Veterans Affairs, NASA, and TSA, just to name a few of our top GSA customers.

State Government

Neutral Posture has products available on many state contracts (full list available on our website). As a WOSB we are recognized as a diverse vendor with many states. If you would like for us to take part in your state's contracting, we are happy to work with you.

Local Government

Many localities can purchase off of state contracts; however, we can work with your municipality to deliver the best solution for all. Our current municipal customers include the Cities of Houston, Portland, and Burbank, just to name a few.
